**Re: Project Completion Letter  
Project 18-012 Beacon Hill, Lombard**

Dear Ms. Avery:

This letter is to confirm the completion of the Certificate of Need permit for Lifespace Communities, Inc d/b/a Beacon Hill (Project No. 18-012). The CON permit contemplates a the removal of the CCRC variance restriction limiting admissions to the skilled nursing facility to internal residents of the CCRC. This letter confirms that effective November 1, 2018, the skilled nursing admission policy has been changed to accept residents from the broader community to the skilled nursing facility and not just CCRC residents.

There were no costs to this project.

If you have any questions or need any additional information, please feel free to contact me.

Sincerely,

A handwritten signature in black ink that reads 'Kara Friedman'.

Kara M. Friedman
